

Dear Joe & all at ATST,

I was surprised to come off mission and see a package on my cot. I didn't know your organization even existed. But I am very thankful that it does. Some items were in very high demand. Of course the cigarettes went fast. I don't smoke but the hygiene items could have come at a better time. The guys and I couldn't be more proud of what we do. Other people and organizations like you and yours that make us remember why we joined. Even though sometimes we get frustrated it's nice to be reminded of the big picture. So I hope the heartfelt appreciation from 2nd platoon Charlie Troop 1/59 CAV is enough to help you remember why you go through the hassle of getting us what you can. Thanks again.
